

I don't wish the WI "DO NOT CALL" list to be changed or weakened in any way. Those of us who signed up do not want to be disturbed by solicitors of any kind. It has been wonderful to complete a meal without being interrupted by unwanted calls, to not rush out of the next room to catch a call only to find it's someone I don't know nor do I wish to know, or to be dragged out of a sickbed to hear the pause of an electronic dialer when picking up the phone. Please, please, do not succumb to the banking industry pressure to change a law that has made many lives better.
